

**Denzel
Washington**
...

when was he
born?

↓
he was born in Mount
Vernon
(New York) on
december 28 1954.

where did he study?

in the 1968; after his parents' divorce, he went to college

he graduates at the Fordham University (New York)

he attended the American Conservatory theatre (san francisco)

who is Denzel?

he has become an excellent actor, the most awarded in the afro-american community

Denzel Washington not only is a great actor, but a person who cares about social issues. That's why he chose to represent many social and politic icons for the human rights and activism in USA

...an important film

Malcom X

he was an American politician who fought for human rights and he was the leader of the afro american people

the movie talks about the history of Malcolm X

he was assassinated in february 21th 1965 during his speech

...there are other films!!

hurricane

Carter was released with the help of Lesra Martin and his three social workers, who started a civil battle for his freedom.

it talks about Rubin Carter, who was a professional afro-american boxer. he unfairly served many years in prison, because of racism.

hurricane is also a famous song by Bob Dylan, that just talks about this story

...another film, another important role

philadelphia

Denzel Washington plays the role of a lawyer who fights against unfairness and prejudices

it was one of the first mainstream Hollywood films to acknowledge HIV/AIDS, homosexuality, and homophobia
