

An aerial photograph of Cape Town, South Africa, taken during the golden hour of sunset. The city is built on a peninsula, with the V&A Waterfront and its harbor on the left. The city extends up the slopes of Table Mountain and Lion's Head. The sea is a deep blue-green, and the sky is a mix of blue and orange. The sun is low on the horizon to the right, creating a bright glow. The text "South Africa" is overlaid in the center of the image.
