

WOULD LIKE/LIKE

affermative, interrogative, negative
communicative function, phrases and vocabulary

Would like

- We use it to indicate what we would like to do and not, to make proposals or invitations. In Italian it corresponds to the conditional mode (vorrei, vorresti, vorrebbe, vorremmo, vorreste, vorrebbero), *would* is usually accompanied by the verb to like. In the daily actions we use this expression at the restaurant:
 - I would like chicken curry (per ordinare)
 - I would like the bill, please (chiedere il conto)
 - I would like a table outside (chiedere la posizione del tavolo)

Like

- Like expresses tastes, emotions, personality preference and can be followed by a noun, a pronoun or a verb with the ing-form. Like in Italian corresponds to the verb «piacere». We can also use adverbs of frequency:
 - I really like it (mi piace veramente)
 - I quite like it (mi piace abbastanza)
- At the third person it add -s
- Like indicates a preference in general with would indicates a desire expressed at the moment.

Three forms of **Would Like**
